

## Astor Invincible Wall Mounted Changing & Showering Table

### Highlights:

*Believed by many experts to be*

**"The most robust changing table available."**

- Cut resistant and graffiti proof stretcher
- No exposed wires /fixings /controls
- IK10 tested - highest level
- Non-tamper embedded control panel
- Split guard for improved access and care
- Battery back up in case of power outage
- Emergency stop button

The **Astor Invincible** height adjustable changing and showering table has been designed **to withstand robust treatment in public settings**, yet provides a very **comfortable** and practical solution for complex needs of daily care giving. The height of this wall mounted changing and showering table can be easily adjusted up or down to minimise carer strain.

The Invincible is believed by many experts to be **the most robust** changing table available with its cut resistant and graffiti proof stretcher, anti-tamper screws and fixings and easy access non-tamper embedded controls (no handset to tamper with / remove). The Invincible has been built using robust materials so that parts can not easily be broken or removed and there are no wires or cables visible or accessible. Specialist security tools are required to access the working elements of this product for maintenance, leaving an externally sleek and tamperproof changing and showering table. Tested to the highest rated level against impact - IK10.

The Astor Invincible incorporates an innovative **split-guard**. For greater access to offer care or comfort, one part of the guard can be flipped down, whilst maintaining an element of security with the other part of the guard in place.

The Astor Invincible **stows neatly** when not in use to maximise room space, held in place with twin gas struts. It features battery back-up for safe lowering in the event of a power failure., and an emergency stop button.
