Electric Trolley

Ref: 155030

The Timo Electric Shower Trolley enables easy care and bathing of patients thanks to its dynamic design and functionality. The electronic adjustment allows for a smooth transition for patients and less strenuous activity for carers. Using independently operated pillars the trolley is able to achieve trendelenburg and anti-trendelenburg positions.

The standard trolley is available in 3 sizes and includes:

- Coated drop down safety rails
- Extendable flexi drain pipe
- Vinyl mattress and pillow
- Castors with a central brake locking system
- Battery and charger
- Available with blue coloured top
- 12 month warranty
- 200kg safe working load
- Padded rail covers also available as an optional extra

Paediatric Electric Trolley

Ref: 155030C

The Timo High Low Paediatric Shower Trolley now has the smallest length and width in the Timo UK range, making it ideal for use with children or in areas of limited space. Its padded vinyl liner makes for a safe and comfortable environment and the range of standard features allow carers to carry out changing and personal care with ease.

Standard features include:

- Coated safety rails
- Central locking brake system
- Extended flexi hose
- Soft vinyl liner in blue
- Pillow
- Adjustable head rest
- 12 month warranty
- 150kg safe working load

Hydraulic Trolley

Ref: 155000

The Timo Hydraulic Shower Trolley combines modern technology and design to enable easy bathing for both patients and carers. Adjustable in height by means of an easy to use foot pedal and hydraulic cylinder the optimum height for both the patient and carer can easily be achieved. A function unique to the hydraulic shower trolley is its side folding top which helps with cleaning and maintenance.

The standard trolley is available in 3 sizes and includes:

- Coated drop down safety rails
- Extendable flexi drain pipe
- Vinyl mattress and pillow
- Castors with a central brake locking system
- Available with blue coloured top
- 12 month warranty
- 200kg safe working load
- Padded rail covers are available as an optional extra

Hydraulic Trolley with Adjustable Backrest

Ref: 155010

The Timo Hydraulic Shower Trolley with backrest adjustment as standard, combines modern technology and design to enable easy bathing for both patients and carers. Adjustable in height by means of an easy to use foot pedal and hydraulic cylinder and 30 degrees hydraulic backrest adjustment.

The standard trolley is available in 3 sizes and includes:

- Colour coated side rails as standard
- 30 degrees adjustable backrest as standard
- Vinyl mattress and pillow
- Central locking brake system with directional brake steer as standard
- Available with blue coloured top
- 12 month warranty
- 200kg safe working load

Extra Wide Trolley

Ref: 155030G

The Timo Electric Shower Trolley enables easy care and bathing of patients thanks to its innovative design and extra wide top to allow for extra room while showering and bathing. The electronic adjustment allows for a smooth transition for patients and less strenuous activity for carers.

Standard features include:

- Coated drop down safety rails
- Extendable flexi drain pipe
- Vinyl mattress and pillow
- Castors with a central brake locking system
- Battery and charger
- Available with blue coloured top
- 12 month warranty
- 230kg safe working load

Heavy Duty Trolley

Ref: 155030HD

The Electric Timo Heavy Duty Shower boasts a 300kg safe working load, currently the highest in the Timo UK range. It also comes with an extra wide comfort top section which allows carers to manoeuvre larger clients with ease when bathing or carrying out personal care.

Standard features include:

- Coated safety rails
- Central locking brake system
- Extended flexi hose
- Soft vinyl liner in blue only
- Pillow
- Adjustable head rest
- 300kg safe working load
- 12 month warranty

Hydraulic Plinth

Ref: 114510

The Timo Hydraulic Changing Plinth is designed for ease of use, comfort and patient safety. The wipe clean padded top comes with an adjustable backrest that can easily be altered to suit the client's needs. The Plinth can be adjusted in height by means of a foot pump. The Changing Plinth is durable enough for multi-use situations whilst retaining its attractive appearance that would not be out of place in any residential bathroom, care facility or hospital.

The standard Plinth is available in 3 sizes and includes:

- Coated drop down safety rails
- Soft padded top section with adjustable backrest
- Braked castors with central brake locking system
- Paper roll holder
- Wide range of colours
- 200kg safe working load
- 12 month warranty

Wall Mounted Stretcher

Ref: 155040

The Timo Wall Mounted Shower Stretcher is designed to help carers bathe and shower patients as easily as possible. The platform can be raised and lowered simply by using the hand control to reach the perfect height for all transfers. The platform also folds neatly against the wall, saving space even in the smallest bathroom.

The standard wall mounted plinth comes with:

- Coated drop down safety rail
- Padded rail cover available as optional extra
- Wipe clean mattress and pillow with adjustable backrest
- Available with blue coloured top
- Battery and charging station
- No need for expensive fused spur
- 200kg safe working load
- 12 month warranty

Wall Mounted Plinth

Ref: 155140

The Timo Wall Mounted Changing Plinth is designed to make the fitting and changing of clothes as easy and stress free as possible for both patients and carers. Its soft padded top can be folded up when not in use to save valuable space in the bedroom or bathroom.

The standard wall mounted plinth comes with:

- Coated drop down safety rails
- Padded rail covers available as optional extra
- Soft padded top section
- Battery and charging station
- No need for expensive fused spur
- Wide range of colours
- 200kg safe working load
- 12 month warranty
