1.0 INTRODUCTION

Thank you for choosing the Smirthwaite Work 'n' Play Nested Table set.

This product has been designed to provide a versatile and durable table set which can be neatly stored on its own mobile base when not in use.

The tables can be used individually or in combination – the smallest table can be used as a footrest (or an aid to help transition from crawling to standing) and the remaining sizes can be used either as bench style seats or standalone tables to provide a support surface for activities.

IMPORTANT!

These instructions should be read by all therapists and carers using the equipment and should be retained for future reference. The product should always be used under adult supervision.

Any incorrect use of the product and failure to follow the instructions may put the user at risk or impede the function. If you have any queries using this product or wish for further copies, please do not hesitate to contact Customer Service department on T: +44 (0) 1626 835552.

This product has been designed and manufactured specifically and solely for use by clients with special needs.

5.0 HOW TO USE YOUR PRODUCT

STOP!

The user should NOT be left unattended whilst using the product. Always ensure a responsible therapist or carer is in attendance.

- The Work 'n' Play set can be used in a variety of combinations to assist in therapy sessions/activities.
- For example, when using Size 4 table as a support surface it can be combined with Size 3 table as a seating bench and Size 1 table as a foot rest (shown below).

- Alternatively, each table can be used independently as either a support surface or bench, with a maximum weight loading of 80kg per table.
- The tables are also ideal for use as steps to practice ascending and/or descending.
- When the tables are not in use the mobile base provides a convenient storage solution, minimizing storage space required.

6.0 CARE AND MAINTENANCE

IMPORTANT!

Cleaning is recommended on a regular basis

- Clean wooden parts with a damp cloth and mild detergent
- Stubborn marks on wood work should be cleaned by using a soft brush.
- Do not soak or immerse the product in water.
- Store the product in a cool dry place out of direct sunlight.
- DO NOT use bleach, solvents, abrasives, synthetic detergents, wax polishes, antibacterial sprays or wipes.
- For further information please refer to MHRA or your NHS cleaning guidelines.

6.1 DAILY CHECKS

- Check all parts for signs of wear and tear or damage.
- Ensure all screws are present and tightened

STOP!

The product should not be in use while the checks are carried out.

6.2 SERVICE INTERVAL

Work 'n' Play tables should be serviced every 3 years. Servicing must only be undertaken by a Smirthwaite service engineer, or by a Smirthwaite trained representative.

6.3 NOMINAL SERVICE LIFE

Your product has a nominal service life of 12 years, during which full post-sales support will be available with regard to spares and servicing.

Product service life has been determined based upon the design complexity of product, and the anticipated exposure to normal use.

Good practice dictates all Smirthwaite products have been designed and manufactured to high levels of safety and quality, and will meet requirements of normal use when maintained in line with our servicing recommendations.

	STOP!
	<p>If the product has been out of use for an extended period of time (6 months or more) it should always be serviced prior to being reissued.</p> <p>If the product has been subjected to ‘heavy’ or ‘constant’ use, the service should be reduced to half the recommended period. Constant and/or heavy use is considered to be:</p> <ul style="list-style-type: none">• Daily use above 7 hours duration• Weekly use above 5 days duration• Monthly use above 10 months per year• Use by a client who is at 90% to 100% of the maximum weight limit of the product. The maximum weight limit must NEVER be exceeded• Use by a client who is extremely active, either voluntarily or involuntarily

	IMPORTANT REMINDER!
	<p>DO NOT fit parts or accessories of other manufacturers to this product unless authorized to do so in writing by Smirthwaite Ltd.</p> <p>Any servicing or repairs required must be carried out by Smirthwaite Ltd (or a Smirthwaite trained engineer).</p> <p>If you believe this product to be faulty – DO NOT USE – Contact Smirthwaite Ltd on T: +44 (0) 1626 835552</p> <p>If in any doubt, ALWAYS seek ADVICE.</p>

6.4 EXTENDING NOMINAL SERVICE LIFE

At Smirthwaite we are proud to produce products that have a reputation for quality and durability.

We believe our products have the potential to provide benefits to our clients beyond the nominal service life documented above.

We will continue to provide full support beyond the nominal service life provided the following conditions are met:

1. A full service schedule has been maintained.
2. A full service and inspection is undertaken at the end of the nominal service life period
3. The product is subsequently serviced annually (or biannually if under 'heavy/constant' use conditions)
4. Smirthwaite reserve the right to limit support where parts/components are no longer available

6.5 DOCUMENTATION/RECORDS

- It is the responsibility of the current equipment owner to ensure the 'Instructions for Use' manual and any further manuals for accessories fitted to the equipment are handed over to the new owner at the time of exchange/sale
- It is the responsibility of the current equipment owner to ensure the service and inspection record form is kept up to date

6.6 PRODUCT CONFIGURATION

- Smirthwaite will document and maintain a record of the original product configuration at the time of first sale
- Smirthwaite will not be held responsible for any subsequent changes to this configuration unless authorized to do so in writing by Smirthwaite Ltd
- It is the equipment owner's responsibility to maintain their own records of changes to the equipment configuration and to be able to provide such records to subsequent owners to maintain traceability
- We recommend an inspection/service by a Smirthwaite Service Engineer (or Smirthwaite trained engineer) whenever a significant change is made to product

configuration to ensure the product is safe to use. **If in any doubt, ALWAYS seek ADVICE**

7.0 WARRANTY & SERVICE

Smirthwaite Ltd warrants the products detailed on your order to be free from defects in materials and workmanship for a period of 2 years from date of delivery. If a fault develops during the period, please call Customer Services by email or telephone 01626 835552 who will advise you on the best course of action. Possible action may be for us to arrange to send out one of our Service Engineers, or have the goods returned to us. Should a repair not be possible within the guarantee period we will replace the product for new or nearest equivalent product. In the unlikely event that we cannot repair or exchange we will refund in full.

This warranty is for the UK only. The warranty excludes faults due to accident, neglect, misuse, not following the Instructions and normal wear and tear. This warranty is in addition to your legal rights. Goods will only be collected from the original delivery address.

A charge may be made where the goods cannot be repaired under the terms of the warranty. You will be advised before this is made.
